INTRODUCTION

This season, White 3 explores the essence of modern femininity infused with classic elements and minimalistic design.

The 16-piece collection consists of magnificent craftsmanship that is naturally complemented with the use of delicate fabrics such as guipure, lace, tulle, organza, and mikado.

The timeless colour palette echoes elegant shades of white and pearl, with thoughtful hints of champagne in between.

This collection is accompanied by an array of luxury accessories, including matching headpieces and delicate veils.
